

DU PAGE ELEMENTARY SCHOOL DISTRICT 13
BOARD OF EDUCATION
Bloomington, Illinois
Regular Meeting March 24, 2025

FOR ACTION

Subject: NDSEC Special Education Transportation Agreement

Earlier this spring, representatives of the North DuPage Special Education Cooperative let bids for transporting NDSEC students for 2025-2028. Septran, as lowest responsive bidder, was awarded the bid by the NDSEC Operational Board on February 10. I have included the bid tabulation sheet for your review. The other two firms under consideration had issues that prevented the Operational Board from accepting their bids, as presented.

NDSEC transportation agreements require the approval of each member district.

Recommendation: The Board of Education approve the NDSEC transportation agreement with Septran, as presented.
