

Fruitdale Elementary School  
SITE Council Meeting  
December 10, 2015

1. **Site Council Terms:**

- a. Teachers: Bohannon and Pugsley
- b. Classified Staff: Durbin and Moran
- c. Parents: Welcome Kimberly and Raymond

2. **School Size:**

September 2014	370 Students		
September 2015	337 Students		
November 2014	357 Students	November 2015	339 Students
December 2014	359 Students	December 2015	337 Students

We are down in numbers from last year. We are expecting 18 new families once the new housing project is complete. This should bring our numbers back up to where they were last year.

3. **A Quick Look at Some DIBELS Data:**

	% of Urgent Intervention Fall Benchmark 2014	% of Urgent Intervention Fall Benchmark 2015
Current Kindergarten		44%
Current 1 <sup>st</sup> Graders	34%	45%
Current 2 <sup>nd</sup> Graders	54%	17%
Current 3 <sup>rd</sup> Graders	18%	28%
Current 4 <sup>th</sup> Graders	37%	32%
Current 5 <sup>th</sup> Graders	36%	16%

These numbers reflect improvement in most grades. However, in Kindergarten it went down, most likely due to kindergarten only going to school half time.

**A Quick Look at Some STAR Reading Data:**

Current 3 <sup>rd</sup> Graders	1 <sup>st</sup> Grade Fall Intervention Need: 25%	2 <sup>nd</sup> Grade Fall Intervention Need: 19%	3 <sup>rd</sup> Grade Fall Intervention Need: 15%
Current 4 <sup>th</sup> Graders	2 <sup>nd</sup> Grade Fall Intervention Need: 26%	3 <sup>rd</sup> Grade Fall Intervention Need: 15%	4 <sup>th</sup> Grade Fall Intervention Need: 14%
Current 5 <sup>th</sup> Graders	3 <sup>rd</sup> Grade Fall Intervention Need: 25%	4 <sup>th</sup> Grade Fall Intervention Need: 11%	5 <sup>th</sup> Grade Fall Intervention Need: 4%

It was explained how the data works. This is a snap shot of how well the formal reading system is working.

**A Quick Look at Some STAR Math Data:**

Current 3 <sup>rd</sup> Graders	1 <sup>st</sup> Grade Fall Intervention Need: 15%	2 <sup>nd</sup> Grade Fall Intervention Need: 7%	3 <sup>rd</sup> Grade Fall Intervention Need: 2%
Current 4 <sup>th</sup> Graders	2 <sup>nd</sup> Grade Fall Intervention Need: 11%	3 <sup>rd</sup> Grade Fall Intervention Need: 8%	4 <sup>th</sup> Grade Fall Intervention Need: 9%
Current 5 <sup>th</sup> Graders	3 <sup>rd</sup> Grade Fall Intervention Need: 13%	4 <sup>th</sup> Grade Fall Intervention Need: 11%	5 <sup>th</sup> Grade Fall Intervention Need: 10%

**Data was explained. 80% of students are in the Green Zone. We have a very strong math system in place.**

**4. CAP (Former SIP)**

Family and Community Involvement Spotlight Indicators FC3.1-FC3.8

PTO

Involvement (Popcorn Fridays, Holiday Gift Shop, Science Night)

Fruitdale has several Family & Community involvement pieces in place. Parent night (September), Family Harvest Night (October), Holiday programs (December), Family Science night (February), “Glenda the hat lady” from our community makes hats for every Fruitdale student yearly, the garden club from our community comes in weekly to work with students on planting vegetables and caring for our garden. They also come during the summer to keep the garden watered. Students are encouraged to come also to stay involved.

We have an overwhelming amount of parents that volunteer in the classroom daily. It is very helpful to our teachers and our students.

It was suggested that for parents that we have a grade level night where they could do a project with their child and have a presentation on some of the data that we have (Dibels, STAR reading, STAR math, etc.) so parents understand what we are teaching. It was also suggested that we put out a parent survey for what they would like to learn.

We do our best to communicate with our parents; we do this through our school web site, school newsletter, class newsletter, and synrevoice.

## 5. Staff Development Opportunities

### a. Friday Professional Developments:

#### i. December 11<sup>th</sup>

1. 3-5 Smarter Balanced Training (Paulson & Palmerton)
2. 1-2 PLC Math Enrichment Meetings
3. K- PLC Intervention Planning (Math and/or Reading)
4. Classified: Math Questioning Strategies (Yount and Francie)

#### ii. December 18<sup>th</sup>

#### iii. January 15<sup>th</sup> Super Chickens (Guest Presenters)

#### iv. January 22<sup>nd</sup> Depth of Knowledge (Cognitive Rigor Matrix)

#### v. January 29<sup>th</sup> Depth of Knowledge (Cognitive Rigor Matrix applied to Journeys)

#### vi. A Look Ahead: \*Phonics at all grades, Growth Mindsets in Math

We changed our Friday meetings for the next 2 weeks so that grade levels could meet together. We also had our classified staff come in earlier to hear a presentation from Francie to help with math interventions.

## 6. Upcoming Events

December 15 <sup>th</sup> and 17 <sup>th</sup>	(3-5 Holiday Performance/ K-2 Performance)
December 16 <sup>th</sup>	Holiday Lunch
January 12 <sup>th</sup>	DIBELS Winter Testing @ Fruitdale
January 14 <sup>th</sup>	Oakridge Elementary School Visitation
January 18 <sup>th</sup>	No School MLK Day
January 25 <sup>th</sup>	SLD Training RTI (Paulson, Yount, Mrkvicka)

Good things are happening at Fruitdale!

The next meeting will be January 21, 2016
