Thank you for your donation of the following described items:

It was nice of you to think of me as a conduit to get books into younger readers hands. I would particularly like to thank Cole & Hayden for deciding to give away the well cared for books of their childhood. Our kiddos (both the little and grown-up kind), have already made a big dent in the 400+ books.

I have to confess that I couldn't resist taking the Geronimo Stilton's #14-30 for the Library (we only had up to #13). By giving all these knowledgeable non-fiction books and delightful stories & novels, you are helping the young readers in our community grow.

In accordance with IRS documentation requirements, you have not received any goods or services from us in exchange for this donation. The District is not trained to be able to provide the value of the items donated. Valuation of the items donated is up to the donor.

What a wonderful way to share the gift of reading.

Sincerely,

Kathy Kammerer
