Dear Neah-Kah-Nie School Board and Superintendent Reed:

Savannah Boggs has been such a big helper for Nehalem Elementary School. She's volunteered for YEARS to help at our schoolwide vision screenings, hearing screenings, and for school pictures. Savannah is the person who grabs classes for their turn with these important events, making sure students have combed hair and big smiles for their school pictures. Savannah continues to call the office occasionally just to check in and see if we need any help. Just this spring, she has taken up running as a parent volunteer for our S.H.E. runners girls running club to be an adult mentor, run with her daughter, Cami, and help support the athletes and coaches.

Savannah helps fill in those holes that schools get when we do all those important extra things for our students. She volunteers with a smile and friendly attitude, and always says yes to requests if she can. We sure recognize everything you do for us, Savannah! Thank you!

Sincerely,

Kristi Mills, Principal
