Please answer the following questions about the field trip

What educational objectives does this field trip meet for your students? *

This is related directly to what the students are learning in class, about Classroom, FFA, and SAE (the three components of agricultural education)

How is this field trip connected with the linked to the unit are currently teaching in the classroom? *

This will allow them to see how accomplishing different things in and outside of the classroom will pay off as they are able to put what they are learning to use.

What instructional follow-up activities will the students do upon returning from the field trip? *

The students will bring what they learn at convention back to our FFA Chapter and show others what they learned and experienced.

How will the field trip enhance learning more than the regular classroom instruction on this topic * or lesson does?

This will give the students more hands on opportunities and allow them to see what they can accomplish by putting their minds to it. This will also allow them to talk with colleges and future employers about their futures.
