MAC Book Roll Out:

All teaching staff has been given a Mac Book and training. They will eventually be able to go wireless in the classroom to teach all district adopted curriculums. This change over is scary and new for some teachers who are used to having a desk top computer with a tower and wires. We will transition and support this change for them until about December so they are confident to let go of their desk top computers.

MBI Universals

BES has been practicing their universals in the classroom, hallway, assembly, bus, cafeteria and recess. It has been going very good. Students are getting better at being TEAM BES. To be safe, Expect respect, Act responsibly, be a Mindful learner.

As always, Board Members are welcome to visit our wonderful school!
