# February

## Greetings Evergreen Families,

I hope everyone has had fun working on new year's resolutions, and getting outside to enjoy some of these clear days we have been given.

I wanted to take a moment for a few reminders.

Mornings are still dark, please assist your child in staying visible at the bus stop, and make sure they are dressed for winter weather. After school plans NEED to be in writing. Several phone calls are taking place at the end of the day causing staff to scramble to move kids around. This holds up buses and those in the pick up line. Thank you for your assistance in this area.

February 16th is "exclusion day," all immunizations need to be up to date or exemption modules watched (certificate must be turned in) for your child to attend. Students who are not up to date, may not be at school. Letters went home with students in December.

First bell rings at 7:15 with the second bell at 7:20. For parents driving their students to school, if they come late it is the expectation you have fed them at home. The cafeteria begins to clean up at 7:30.

I want to thank families for working with us, these small details truly help us get kids going in the morning as efficiently as possible.

Sincerely,  
Jenny Jones  
Principal

Lonnie George Johnson, born in 1949, is known for inventing the super soaker and Nerf gun. He also worked as an aerospace engineer at NASA.

Born and raised in New Orleans, Louis Armstrong's recordings are in both the Grammy and Rock & Roll Hall of Fame. His influence on jazz history is celebrated worldwide.

Mary Church Terrell co-founded the Colored Women's League in WA, the National Association of Colored Women, and the NAACP

## This month:

2/8 Spring Picture Day

2/16 School Board Meeting

2/17 Exclusion Day

2/21 Presidents' Day **NO SCHOOL**

## Silliness from the desk of Mrs. Jones

Q: Why did the sheriff lock up his girlfriend?

A: She stole his heart.

# Lunch Menu
