DATE: May 18, 2026

RESPONSIBLE ADMINISTRATOR: Mr. Martin Mahan
Superintendent

BACKGROUND/CONSIDERATIONS:

Superintendent Goal 6.1 of the 2025 -26 Performance Goals is recommended for revision. The current goal is below:

Current Goal:

6.1 Develop a digital marquee, roof and HVAC standards and life cycle budget program.

Measurement of Completion

- Study/evaluate current marquee, roofing, and HVAC systems.
- Establish a life cycle budget and repair/replacement plan.

Deliverables

- Present final plan to school board as part of monthly facilities update

Target Date/Completion Date: June 2026

Due to the significant associated costs, it is recommended that this goal be paused at this time. In addition, the District has recently completed significant roof and HVAC updates throughout the District.
