

Board Agenda

Item: VI. B. 4. Food Service

Related goal(s): Ensure effective and efficient quality systems

Currently budgeted? Yes No **Budgetary impact**

Action **Report**

Primary Contact Person: Mr. Richard Koonce/
Mr. Rusty Talbot

Over the past 18 months our Food Service operation has transitioned to a new software suite. This has allowed our operation to become totally integrated, from menu planning to inventory to point-of-sale. Bette Mogg, our Director of Food Service, and Mandy Young, Software Specialist, will present the report on the new system.
