

Long-Range Facilities Plan Status Report
Provided by Johnson Controls, Inc.
February 12, 2010

Property Acquisition

Denfeld: All property acquisitions are completed.

Lester Park: All property acquisitions are completed.

Congdon: We have one property in possession. We are working with potentially 4 other property owners. We may consider a street vacation.

Laura MacArthur: ISD 709 has taken possession of all of the original 11 plus the 4 additional properties.

Grant: We are working on one final property for acquisition. We will be forgoing one of the properties originally selected.

Piedmont: We are working to acquire a small piece of vacant land contiguous to the property already owned by the District, and continue working with Christ Lutheran Church on how the properties lay out between the church and the new school. We have the vacation of Ensign Street accomplished.

Western Middle School: There are 11 properties plus County land and railroad property. We have purchased two properties. We have a purchase agreement on a third property, and are working on the remaining properties, some street vacations and finishing the last few appraisals, including Rainbow Auto Body.

Project Design and Construction

- East High School – Foundations are continuing for the new addition. Structural contracts have been awarded. Bossardt is preparing a building structure and enclosure schedule to accelerate work planned for this year. ARI will be working on the final Bid Package (site and building improvements) in March.
- Denfeld High School - Structural steel erection and placement of precast concrete flooring for the south addition are being completed. DSGW and Bossardt have successfully received competitive bids for the final Bid Package. Plans are being made with staff to vacate the building in summer to allow contractors access to the entire facility.
- East Middle School (East) - Construction contracts have been awarded. The next phase will start in April on office renovations and the construction of the pool addition will begin in June.
- West Middle School – We are going through the EAW process with the City of Duluth. LHB and Kraus-Anderson are preparing to issue bid documents in March.

- Laura MacArthur Elementary – Substantial unforeseen site conditions have been encountered requiring removal of debris and corrective soils work. DSGW and Bossardt have successfully received competitive bids for the final Bid Package. Foundation work will continue in March.
- Lester Park/Rockridge Elementary – Kraus-Anderson is working with the demolition contractors to start the removal and demolition of homes in February. School construction will begin next spring.
- Lincoln Piedmont Elementary – SJA and Kraus Anderson are preparing to issue bid documents in March.
- Congdon Elementary – John Ivey Thomas is proceeding with schematic designs for a future presentation to the School Board.
- Grant/Nettleton Elementary – DSGW has presented Schematic Designs for School Board approval.
- ARI has completed their inventory of existing Furniture, Fixtures & Equipment in all schools.

Utilization of Local Contractors and Labor

- Johnson Controls, Bossardt and Kraus-Anderson are continuing to work closely with the Duluth Builder's Exchange and the Duluth Building and Construction Trades Council to:
 - a. Comply with Minnesota Competitive Bidding Statutes.
 - b. Comply with the LRFPP Project Labor Agreement.
 - c. Maximize the utilization of local contractors and local labor.
- Of the 247 construction contracts awarded to date by the School Board for the LRFPP, 135 (or 57.1%) have been awarded to local contractors as defined by the Duluth Builder's Exchange. On the basis of dollar volume, contracts totaling \$59,236,384.30 (or 54.7%) have been awarded to these local firms. This is evidence of the impact of ISD 709 utilizing the Construction Management approach where local contractors have greater assurance their low bid will actually be used.
- In addition, 90.4% of consulting agreements and related sub-consulting agreements (i.e. 47 out of 52) have been awarded to local professional service firms (e.g. architects, engineers, testing and surveying firms).
- Attached please find:
 - a. A status report letter from the Duluth Builders Exchange.
 - b. An updated LRFPP Contractor/Supplier/Consultant Listing.

DON O'CONNOR, EXECUTIVE DIRECTOR

Kevin Strong
Program Manager
Johnson Controls, Inc.
215 North 1st Avenue East, Room 100
Duluth, MN 55802

Dear Kevin,

I am in receipt of the February 12, 2010 breakdown of the Duluth School District Long Range Facility Plan contractor/supplier/consultant listing.

The Duluth Builders Exchange is in agreement that this accurately represents the breakdown of participation by local and non local contractors and firms.

As you are aware, public bidding is very open and competitive. Within that framework and the state of the economy, I am pleased with the number of contracts that have been awarded to our local companies.

I would like to commend you, Johnson Controls, and the School District for your efforts in giving our local companies the information, training, and support, which has provided them with every opportunity in their effort to secure these bidding opportunities.

As the District proceeds forward with the Long Range Facilities Plan I am confident that your efforts will continue to empower our local construction community to be competitive throughout the process.

Thank you for your efforts!

Sincerely,

Don O'Connor
Executive Director
Duluth Builders Exchange
802 Garfield Ave.
Duluth, MN
