RE: IPD Garage Sale

Dear Barbara,

We would like to thank you for the use of your parking lot this last Saturday. This was our 29th year of doing a "garage sale" and car show here at IPD. Between great weather and a lot of Volvo enthusiasts we had a very successful event.

Your lot was used as swap meet space and overflow parking and it definitely helped out. We checked at the conclusion of clean-up and believe we left everything in as good of condition as it was before the event.

Next year is our companies 50th anniversary and we know we will be planning something even bigger for our customers. We anticipate needing even more parking on "the circle" than we have in the past. Once we get a better idea on our plans I will contact you to see if you would be willing to help us out once again.

Thanks once again we do appreciate your support.

Best regards,
