Date: 4/3/24

Re: Purchase of lawn equipment

Attached are two quotes for the replacement of our Kubota mower and attachments. The replacement of this equipment is budgeted for this year. Money would come from line item number 402-234-980.201 (maintenance aging equipment). It is my recommendation that the equipment be purchased from Ginop Sales in the amount of \$46,000.00.
