FOOD SERVICES

The Board shall provide cafeteria/kitchen facilities in all school facilities where space and facilities permit, and will provide food service for the purchase and consumption of lunch for all students. The Board shall also provide a breakfast and lunch program in accordance with procedures established by the Department of Education.

The Board does not discriminate on the basis of race, color, national origin, sex (including sexual orientation or transgender identity), disability, age (except as authorized by law), religion, military status, ancestry, or genetic information (collectively, "Protected Classes") in its educational programs or activities. Students and all other members of the School District community and third parties are encouraged to promptly report incidents of unlawful discrimination and/or retaliation to a teacher, administrator, supervisor, or other District official so that the Board may address the conduct. See Policy 2260 – Nondiscrimination and Access to Equal Educational Opportunity.

The food-service program shall comply with Federal and State regulations pertaining to the selection, preparation, delivery, consumption, and disposal of food and beverages, including but not limited to the current USDA ~~Dietary Guidelines for Americans~~ School Meal Pattern Requirement and the USDA Smart Snacks in School nutrition standards, as well as to the fiscal management of the program. In addition, as required by law, a food safety program based on the principles of the Hazard Analysis and Critical Control Point (HACCP) system shall be implemented with the intent of preventing food-borne illnesses. For added safety and security, access to the facility and the food stored and prepared therein shall be limited to food service staff and other authorized persons.

Substitutions to the standard meal requirements shall be made, at no additional charge, for students for whom a healthcare provider who as prescriptive authority in the State of Michigan has provided medication certification that the student has a disability which restricts his/her diet, in accordance with the criteria set forth in 7 CFR 15(b). To qualify for such substitutions the medical certification must identify:

- A. the student's disability and the major life activity affected by the disability;

- B. an explanation of why the disability affects the students diet; and
- C. the food(s) to be omitted from the student's diet, and the food or choice of foods that must be substituted (e.g., caloric modifications or use of liquid nutritive formula).

On a case by case basis, substitutions to the standard meal requirements may be made, at no additional charge, for students who are not "disabled persons", but have a signed statement from a qualified medical authority that the student cannot consume certain food items due to medical or other special dietary needs. To qualify for such consideration and substitutions the medical statement must identify:

- A. the medical or dietary need that restricts the student's diet; and
- B. the food(s) to be omitted from the student's diet and the food(s) or choice of foods that may be substituted.

Lunches and breakfast sold by the school may be purchased by students and staff members and community residents in accordance with administrative guidelines established by the Superintendent.

The operation and supervision of the food services program shall be the responsibility of the Director of Food Service ~~Director~~. The cafeterias /kitchens shall be operated on a self-supporting basis with revenue from students, staff, Federal reimbursement, and surplus food. The Board shall assist the program by furnishing available space, initial major equipment, and utensils. Maintenance and replacement of equipment is the responsibility of the program.

~~A periodic review of the food service accounts shall be made by the Assistant Superintendent. Any surplus funds shall be used to reduce the cost of the service to students or to purchase cafeteria equipment.~~

Bad debt incurred through the inability to collect lunch payment from students is not an allowable cost chargeable to any Federal program. Any related collection cost, including legal cost, arising from such bad debt after they have been determined to be uncollectable are also unallowable.

X Bad debt is uncollectable/delinquent debt that has been determined to be uncollectable by the end of the school year in which the debt was incurred. If the uncollectable/delinquent debt cannot be recovered by the School Meals Program in the year when the debt was incurred, then this is classified as bad debt. Once classified as bad debt, non-Federal funding sources must reimburse the NSFSA for the total amount of the bad debt.

The funds may come from the district general fund, State or local funding, school or community organizations such as the PTA, or any other non-federal source. Once the uncollectable/delinquent debt charges are converted to bad debt, records relating to those charges must be maintained in accordance with the record retention requirements in 7 CFR 210.9(b) (17) and 7 CFR 210.15(b).

With regard to the operation of the school food service program, the Superintendent shall require:

- A. the maintenance of sanitary, neat premises free from fire and health hazards;
- B. the preparation of food that complies with Federal food safety regulations;
- C. the purchase of foods and supplies in accordance with State and Federal law, USDA regulations, and Board policy (See Policy 1130, Policy 3110, and Policy 4110);

- D. complying with food holds and recalls in accordance with USDA regulations;
- E. the accounting and disposition of food service funds pursuant to Federal and State law and USDA regulations;
- F. the safekeeping and storage of food and food equipment pursuant to USDA regulations.

The District shall serve only nutritious food as determined by the Food Service Department in compliance with the current USDA Nutrition Standards for the National School Lunch and School Breakfast Programs and the USDA Smart Snacks in School nutrition guidelines. Foods and beverages unassociated with the food-service program must comply with the current USDA Nutrition Standards for the National School Lunch and School Breakfast Programs and the USDA Smart Snacks in School nutrition guidelines, and may be vended in accordance with Board Policy 8540.

The Superintendent shall require that the food service program serve foods in District schools that are wholesome and nutritious and reinforce the concepts taught in the classrooms.
