Regular Meeting - Board of Education

Date: June 9, 2016

Agenda Item #9. B.

TOPIC: Summer 2016 Professional Development

BACKGROUND: Summer curriculum writing is given to staff every year. This year we had over 80 staff requesting writing time. This is the first year we were not able to support all requests. The work that staff does over the summer is very impressive and I wish that everyone had a chance to see some of the creative and innovative things the teachers are doing.

PURPOSE OF PRESENTATION: The purpose of this presentation is to provide the Board and community with an overview of what requests have been granted and the direction and work that we are going as a district.

LEARNING OBJECTIVE: As a result of this presentation, the Board will have an understanding of what the major areas of summer writing are and what are some of the new classes in the fall.

ACTION RECOMMENDED: Is this item for Approval or Discussion Only.
