Staff Attendance:

August-81%

September-98%

October-81%

Strengths:

Teachers are working well with each other to provide instruction and support to all students when a teacher is absence due to unforeseen circumstances. One teacher from Big Sky subbed during October when the teacher at Glendale was absence.

Concerns/Needs:

At this time, finding substitute teachers for the Colony Schools is a challenge.

BIG SKY COLONY SCHOOL

Submitted by: Ellen Christoferson & Jackie Gregoire

It is hard to believe that the first quarter of the school year is already over. We had a visit from the 4th grade class at Napi Elementary. Our students conducted groups of students on guided tours of the animal barns, carpenter and metal shops, as well as the garden. The students of both schools had many questions for each other. They had time after lunch to play together.

We also had a family whose parents were formerly colony members come to view our school. We are having the students create their own crossword puzzles to help them learn some more vocabulary.

We completed our first writing assessment. For some students this was their first time using My Access. The results were an improvement from previous writing assessments.

We carved pumpkins for each family and had a party for our school for Halloween.

Happy Halloween!

Respectfully submitted,

Mrs. Gregoire
