Facts of this Matter:

The ZTEP/ZTEP+ teacher evaluation program is award winning (State Board of Education and INTASS Evaluation Review Protocol) and compliant with state law. Additionally, the local plan has undergone changes each year since the legislation mandating the new protocol was passed in 2011 and implemented in the 2011-2012 school year.

As a matter of past practice, we are sharing the plan results with the Board of Trustees each year before August 15 though at this time it is unclear if these results will in any way enable the district to receive Teacher Appreciation Grant funds from the State of Indiana.

Ms. Devereaux and Mrs. Squier administer the evaluation program for the district.

Recommend approval.
