

Homedale Elementary School Memo

To: Homedale Board of Trustees, Superintendent Rob Sauer
From: Tate B. Castleton, Principal
Date: September 6, 2022
Re: Report to Board of Trustees

HES ENROLLMENT UPDATE: As of Tuesday, September 6, our total enrollment by grade level is as follows:

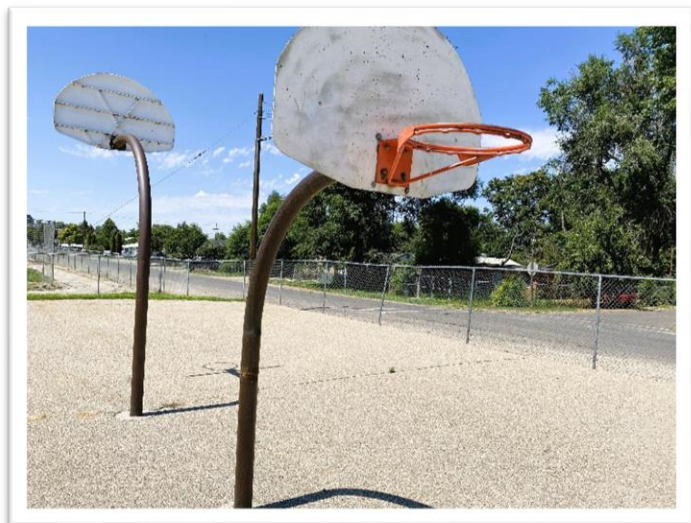

Kindergarten: 84
1st Grade: 108
2nd Grade: 87
3rd Grade: 94
4th Grade: 106

Total: 479

NEW TEACHERS SURROUNDED BY SUPPORT: We have made every effort to ensure each of our new teachers – Evonne McGuire (2nd Grade), Trinity Pratt (2nd Grade), and Marina Brookshire (3rd Grade) – are surrounded with support. Our teachers (both past and present) have done an incredible job providing these teachers with support, resources, and encouragement! As a result, all three are off to a GREAT start and have each been wonderful additions to our HES family!

BASKETBALL HOOPS ADJUSTED ON PLAYGROUNDS AT HES: Recently our maintenance team took on a unique challenge to make some adjustments to our permanent basketball hoops on our playground. The change needed to be made because the hoops on our K-2 playground were too tall, and the hoops on our 3-4 playground were too short. Our maintenance team used some welding expertise and adjusted the hoops! Thank you to Danny and his crew for their hard work!
