

## BNAS/MBI/Olweus May Board Report

The BNAS department hosted an Art and Craft Fair on May 11<sup>th</sup> at the middle school from 4-6. JOM provided a traditional meal. The art work that many of the schools submitted was fabulous. We have many great things going on in our classes and many great artists. Each building had a Cultural Day on May 12<sup>th</sup> or May 23<sup>rd</sup>. Each of the buildings will have many culturally related events, activities and speakers from our community. The Pow Wow Committee put on a Spring Pow Wow. A big shout out to them for all of their hard work.

The Immersion teachers with the assistance of their building NAS teachers, will be completing curriculum alignment with SBE this summer.

In regards to Olweus and MBI I shared with you a verbal report of the programs. If you have any questions please feel free to contact me.

Again, please seriously consider the future of these programs. They are vital to our students social and emotional well-being. Thanks for allowing me the opportunity to be a part of the implementation of these programs.
