

Consider approval of  
substantial completion of the Bob Hope Elementary Additions and Renovation

1. Background:

Kencon Constructors was awarded a contract by the SWISD board of trustees to provide construction services on the Bob Hope Elementary Additions and Renovation project. The scope of work included a new classroom wing, with a new library and interior renovation to existing facility.

2. Process:

This project has been completed and a Certificate of Substantial Completion was issued by O'Connell Robertson for Thursday May 1, 2025.

3. Fiscal Impact:

The cost of this project was funded from by budgeted 2023 Bond funds. The remaining funds from the project in the amount of \$\_\_\_\_\_ will be returned to Bond funds.

4. Recommendation:

That the Board approve the Certificate of Substantial Completion between the District and Kencon.

5. Required:

Board action.
