Vienna Township Site Plan Review Commission  
Vienna Township  
3400 W. Vienna Rd.  
Clio, MI 48420

RE: 14151 N. Saginaw Rd.

Please see the attached site plan review application and N/A responses below:

- *Storm water management plan with detailed engineering calculations in accordance with Genesee County Drain Commissioner's Office:*

This project involves a 525 sq. ft. area of asphalt removal that will be replaced with concrete.

- *Grading and Drainage plans submitted showing existing and proposed finished contour of site.*

The concrete slab on grade will be sloped to match existing.

- *Drawing showing surrounding land uses, properties, zoning classification within 300 feet of project site.*

The work for this project falls within the confines of the existing property.

- *Applicable Genesee County Drain Commissioner's Office Division of Water, and Waste services standard detail sheets and construction notes.*

Underground drains not included in scope of work for this project.

- *Drawing showing the location of dumpster, site lighting and buffer zones.*

No dumpsters on this site.

Thank you,

Jeffrey W. Quider, P.E.
