## EAGLE TIME SUCCESSES

Students have completed another round of Eagle Time, which was a newly implemented time this school year. This 30 minute block of time allows students enrichment and intervention opportunities each day. Eagle Time groups last a total of six weeks, each round focusing on a different enrichment. The end of trimester one marked the end of the second round. Students have had several exciting opportunities; from projects in the Maker's Space, to creating art from seeds. Other opportunities have been targeted toward real-life experiences, like Finances and
