Re: Fees School Year 2025-2026

Date: February 24, 2025

---

### **Introduction**

Each year at this time the District sets the school fees for the upcoming school year.

### **Situation**

There are two primary fee sources; Student and Facility. When analyzing student fees, the following was taken into consideration:

- Student registration fees will not increase this year
- Locks and Graduation fee will increase due to increased supply costs
- No change for athletics
- Transportation fee will increase due to inflation
- Milk will no longer be available for purchase
- Facility Rental fees will have no change

### **Requirements**

- All student registration fees must be paid in full by September 1
- A \$25 late payment fee will apply once the invoice is 60 days past due
- Parents who are unable to pay fees due to hardship have the affordance of completing a "Fee Waiver Request" form (located on the district website)

Included in this memo is a schedule with an itemized fee structure for both student and facility fees.

### **Recommendation**

The administration is recommending that the Board of Education approve the fees for the 2025-2026 school year as presented.
