Principal's General Narrative:

The High School has a busy December lined up. Basketball season is in full swing with both boys and girls off to winning records. The boys won the Dilly Invitational tournament and the girls brought home second place honors. EOC re-takes have been scheduled for this week and next week. The tutorial program is going well and the library is full on Monday and Thursday nights. A big thanks goes out to all of the teachers who worked those evenings to help our students achieve maximum success. We have run 294 students through our learning center since school started. The Brackett Secondary staff is focused on student achievement and academic success! Way to Go!!!!!!
