SUBJECT: Recognition of Alan Bernal—student who performed Heimlich Maneuver
DATE: November 30, 2018

Student Alan Bernal reported to Coach Roberto Espinoza on November 30, 2018 that he had performed the Heimlich Maneuver on his mother two days earlier after she was choking on a piece of carrot. He was able to dislodge the piece of food when he performed the maneuver. This information was corroborated by Coach Roberto Espinoza with Alan's father.

We feel this student is worthy of recognition for his outstanding quick thinking and response. He is a true Super Hero!
