**BACKGROUND INFORMATION:**

The time to nominate a candidate to the Bee County Appraisal District has passed. Due to three taxing entities not nominating a candidate for election, the Board of Directors will have two vacancies. The Board is mandated to contain 6 members, 5 of these members are normally elected by the taxing entities, and the sixth member is the tax collector.

**ITEMS ADDRESSED:**

In January, the Board of Directors will find themselves short two members and will be required to appoint two members to fill the vacancies. Please nominate who you would like to represent Beeville ISD. There is no guarantee they will be chosen but this is the only way the Appraisal District can find to give the taxing entities a voice with the Bee County Appraisal District.

**RECOMMENDED ACTION:**

Board of Trustees will nominate a candidate.

Beeville ISD  
Attention, Dr Hardwick

Re: Nomination and election of officers.

Dear Dr. Hardwick

The time to nominate a candidate to our Board of Directors has passed. Due to three taxing entities not nominating a candidate for election, the Board of Directors will have two vacancies. Our Board is mandated to contain 6 members, 5 of these members are normally elected by the taxing entities, and the sixth member is the tax collector. In January, when the board finds themselves short two members, they will be required to appoint two members to fill the vacancies.

What I am asking your School Board to do is supply my Board of Directors with your suggestion of who you would like to represent Beeville ISD. I cannot guarantee they will be chosen by the Board members but this is the only way I can find to still give the taxing entities a voice with the Bee County Appraisal District.

Thank you for your time and consideration and if you have any questions feel free to contact me.

Sincerely

Bruce Martin
