

Medford School Board Meeting
March 2025
Medford Elementary – Mr. Carlson

Celebrations/Shout Outs/Notes:

A huge shout out to Mrs. Markham and everyone who had a part in making I Love to Read month such a success! We enjoyed many fun filled activities throughout the month tied to reading and students achieving their goals. We ended with a bang by choosing one student from each grade who met their reading goal to nominate a staff member to eat a chocolate covered cricket during our most recent Tiger Pride celebration!

Also a special thank you to MEPA for sponsoring the “Sustainable Safari” zoo program for our students/staff.

Site Team Update:

Thank you to Mrs. Hansen for setting up the MCA Testing Schedule which will begin on April 22nd in the elementary.

Staff Development ½ Day – March 28th

1. Staff will have the opportunity to watch a series of special education videos on “Engaging, Motivating, and Managing Hard to Reach, and Disruptive Students.
2. There will also be some time dedicated to creating class lists using our new student placement form that we will be implementing for the 25-26 school year.
3. MCA prep grades 3-6 (setup PearsonNext accounts, watch training videos, view prep tools)

Spring Conferences:

Staff were able to meet with 90% of our families/students for spring conferences. (91% last year)
