2021-2022

Club Name Weightlifting Club Sponsor Robert Miller

Club Goals: 1) Develop a clean and safe exercise environment. 2) Establish sound life fitness routines as it relates to personal health. 3) Create a group of students that maintain the exercise facility.  
4) Give students another after school activity. 5) Input from the club pertaining to future facility.  
6) Work concessions to establish a fund for replacement equipment. DEVELOP CARDIO ROOM AND MIRRORS  
7) Input into new sports complex.  
8) Paint-equipment-mirrors-sound system

Proposed Meeting Dates: Meet one Thursday for each of the months that we are in school.

\*\* open at noon and after school for 45 minutes each.

Summary of Proposed Club Activities: The weight lifting club will encourage an after school exercise program for those students interested in exercising. The club will also maintain the facility as well clean

A B C D E F G H I J

2021-2022

Club Name Varsity Club Sponsor Robert Miller | Leo Bullchild

Club Goals: 1) Develop a roster of three sport letter winners. Certificate-jacket-scholarship

2) Be a voice in athletic decision making responsibilities.

3) Establish an annual sports awards banquet.

4) Work concessions to establish a fund for Senior scholarship for two individuals for college.

5) Two sport letter winners - three sport participation lists.

Proposed Meeting Dates: Meet one Thursday for each of the months that we are in school.

Summary of Proposed Club Activities: The Varsity Club will identify potential three sport athletes,

and create an athletic scholarship fund. Also yearly end of year awards.

**Browning High School  
2021/2022**

**CHEERLEADING CLUB  
Advisors: Katie Boyce**

**Description and Goals:**

1. The goal of having Cheerleading club is to encourage active participation in fundraising events and allow for the cheerleaders to provide their own funding to purchase supplies to be used at their discretion, all of which will promote some sort of school spirit or support any BHS sanctioned events.
2. The funds raised will go toward school spirit activities such as pep assemblies, gym decorating, special guest nights, and senior nights. The cheerleaders will provide necessary items to enhance recognition and promotion of all athletes during our designated seasons.
3. Another big goal the cheerleaders have for the club/fundraising is to be able to provide one \$500 cheer scholarship for a deserving graduating senior who has participated in cheer for at least the Fall or Winter season.
4. Another goal is to help provide a resource for cheerleaders to attend yearly Summer camps throughout Montana.
5. Finally, another goal is to raise funds to purchase items for cheerleaders to wear that promotes identity and team affiliation, such as T-shirts or other gear.

**Proposed Meeting Dates:**

Students will meet roughly once a week to every other week in the cheer room or at designated location to discuss fundraiser planning and any important events coming up.

**Summary of Proposed Activities:**

Cheerleaders will meet to discuss any future planned fundraising activities and set dates and go over details to each fundraiser and what those funds will go toward.

**Fundraising:**

Concessions, Bake Sales, Pop Shoots, 50/50, Raffles, Cheer Camp, any social media based platforms, or any sports gear sales.

\*All sponsors must keep sign-in sheets for ALL meetings and sign-in sheets will include the date of the meeting and SIGNATURES of STUDENTS attending. These sign-in sheets will be turned in at the end of the year prior to receiving the stipend.

**Principal's Action:**    Approved    Denied    Deferred    Initial & Date:

**Superintendent Action:**    Approved    Denied    Deferred    Initial & Date:

**Comments:**

The Cheerleaders have a recent history of fundraising and have proven good standing as well

---

as providing all profits to be dispersed to the student athletics population based on our goals.

---

This year the cheerleaders were able to award not one, but TWO senior scholarships in the

---

amount of \$500. We have been able to start and continue this for a successful two years now.

---

**This request is to be submitted to the superintendent's office 14 days prior to fund raising date.**

Amended 10/26/16

## **BHS Library Book Club 2021-2022**

**Advisor:** Amy Conrey Andreas

### **Goals:**

1. To encourage and promote a culture of literacy and a love of reading within the high school.
2. To create activities and events that promote reading within a social context that involves both students and staff.

### **Proposed Meeting Dates:**

Students will meet in person or virtually to discuss the selected books at least once during the school year. The goal this year will be to purchase and read at least one book together. More if time allows.

### **Summary of Proposed Club Activities:**

Students and staff will work together to select a book and then read it, meeting (virtually) to discuss the reading.

### **Fundraising:**

Fundraising for the library book club will be solely dependent on students working concessions (if we are in school-regular session) or we will use donations/club funds already raised if we are virtual.

## **BHS Rising Voices Poetry Club Goals 2021-2022**

**Advisor:** Amy Conrey Andreas

### **Description and Goals:**

1. The Rising Voices Poetry Club is a club for students that love to write and perform original creations.
2. It is our goal that the students who participate in this program will become empowered and inspired through the development of their own voices as poets and performers.
3. All students will make at least one attempt to publish their writing outside of the district.

### **Proposed Meeting Dates:**

Students will meet approximately once a week in the library round room (after school) or virtually using Google Meet Link via our Classroom/Club Page

### **Summary of Proposed Activities:**

Students will meet approximately every other week to share their written work and help one another edit and strengthen their writing. Students will work together to encourage one another and support one another through the creative process. Students will present some of their favorite work at the end of the year during our Family Literacy Open Mic Night/Art Show.

### **Fundraising:**

Concessions, Coffee Shop, Crowd Source Fundraising

## **Piikáni Ksiwáínaka'si Club Goals BHS 2021-2022**

**Advisor:** Amy Conrey Andreas

### **Goals: (Visit [Our Website](#) for More Information)**

The Piikáni Ksiwáínaka'si (bicycle) Program aims to provide Browning High School students access to fat bikes/plus bikes for year round use within the borders of the Blackfeet Nation in order to improve their physical fitness and emotional well-being.

### **Proposed Meeting Dates:**

All BHS students will have access to the bikes during the school day and after school when I am here. The club will meet after school approximately once every other week for a group ride. Hopefully one long all day Saturday ride this fall.

### **Summary of Proposed Club Activities:**

Students, Staff, and non-club members will use bikes and gear during and after school to relieve stress, spend time with friends/peers, and improve their mental and physical health. I would like to also do day rides on weekends occasionally and maybe a ride or two over the summer. The goal is to get students out on the land, recreating and traveling by bike, improving their mental and physical health.

### **Fundraising:**

Online, crowdfunder fundraising, concessions if possible, t-shirt sales

All sponsors must have sign-in sheets for ALL meetings and sign-in sheets will include the date of the meeting and SIGNATURES of STUDENTS attending. These sign-in sheets will be turned in at the end of the year prior to receiving the stipend.

2021-2022

**Club name:** Science Club

**Sponsor:** M. Small

**Goals:**

- Solve increasingly complex problems, from a wider range of contexts
- Make more decisions themselves about how to carry out, record and interpret the activity length of the activities increases
- Reflect on, discuss and share their ideas about increasingly complex ideas
- Share their results more widely, and in more diverse media.
- Inspire and increase student interest in Science and Technology
- Increase student academic attainment (grades) in the STEM subjects
- Increase the number of students entering higher education in the STEM subjects
- Increase the Technological Literacy of future generations

**Students:**

- Practice at the process skills needed in science.
- Increased opportunity to develop and practice thinking, speaking and listening skills.
- Opportunities to experience a wider range of science topics, hence broadening their enthusiasm for science.

**School:**

- To celebrate science.
- Raising the profile of science within the school.
- A positive change in attitude to science lessons.

**Science Club Meeting dates:**

- Thursdays afterschool, and anytime (when available) afterschool to study.

2021/2022

Club Name Academic Challenge Sponsor Randall Rivas

**Club Goals:**

To foster a culture that academics are important and that you can have fun with them.  
Expose students to diverse ways of thinking and oppurtunities that allow them to show on their knowledge  
in a non classroom setting,  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

Proposed Meeting Dates: Meet once a month. Will email and do google meets as necessary, most of our events are  
in the spring so we don't always meet a ton to start the year. I usually try to recruit during this time

- 1v1 Magic the Gathering matches
- 1v1 Magic the Gathering tournaments
- Multiplayer Magic the Gathering matches
- Multiplayer Magic the Gathering tournaments
- Magic the Gathering drafts
- Magic the Gathering game theory and strategy sessions

We expect participation from 10 to 20 students throughout the course of the year.

Browning Public Schools Club Goals/Sponsors

School Year: 2021-22

School: Browning High School

Club Name: Exercise Club

Club Sponsor Name: Katherine "Kitty" SkunkCap

Club Goals: Promoting healthy bodies and wellness.

Proposed Meeting Time: 2x/week after school

Summary of Proposed Club Activities: To promote wellness

Browning Public Schools Club Goals/Sponsors

School Year: 2021-22

School: Browning High School

Club Name: Beading Club

Club Sponsor Name: Katherine "Kitty" SkunkCap and Gala Upham

Club Goals: Teach students how to bead and make regalia or other items that they can profit off of.

Proposed Meeting Time: 2x/week (or more if needed) during lunch or after school, will work this out with students interested.

Summary of Proposed Club Activities: teach students to bead regalia or other items that they could possibly make a profit off of.

2020/2021

Club Name: Chess Club

Sponsor: Brian Harrell

Club Goals: To teach chess to interested persons.  
To produce tournament ready players.  
To join regional, national and online tournaments.

Proposed Meeting Dates: Every Tuesday and Thursday afternoon at 4:00 p.m. (any tournament times and dates)

**Summary of Proposed Club Activities:**

It increases your creativity: Since the right hemisphere of the brain is responsible for creativity, it should come as no surprise that activating the right side of your brain helps develop your creative side. Specifically, chess greatly increases originality.

One four- had students from grades 7 to 9 play chess, use computers, or do other activities once a week for 32 weeks to see which activity fostered the most growth in creative thinking. The chess group scored higher in all measures of creativity, with originality being their biggest area of gain.

**It improves Memory:**

Chess players know — as an anecdote — that playing chess improves your memory. Being a good player means remembering how your opponent has operated in the past and recalling moves that have helped you win before. But there's hard evidence also. In a two-year study in 1985, young students who were given regular opportunities to play chess improved their grades in all subjects, and their teachers noticed better memory and better organizational skills in the kids. A similar study of Pennsylvania sixth-graders found similar results. Students who had never before played chess improved their memories and verbal skills after playing.

**Increases Problem Solving Skills:**

A chess match is like one big puzzle that needs solving, and solving on the fly, because your opponent is constantly changing the parameters. Nearly 450 fifth-grade students were split into three groups in a 1992 study in New Brunswick. Group A was the control group and went through the traditional math curriculum. Group B supplemented the math with chess instruction after first grade, and Group C began the chess in first grade. On a standardized test, Group C's grades went up to 81.2% from 62% and outpaced Group A by 21.46%.

**Improves Reading Skills:**

In an oft-cited 1991 study, Dr. Stuart Margulies studied the reading performance of 53 elementary school students who participated in a chess program and evaluated them compared to non-chess-playing students in the district and around the country. He found definitive results that playing chess caused increased performance in reading. In a district where the average students tested below the national average, kids from the district who played the game tested above it.

**It improves concentration**

Chess masters might come off like scattered nutty professors, but the truth is their antics during games are usually the result of intense concentration that the game demands and improves in its players. Looking away or thinking about something else for even a moment can result in the loss of a match, as an opponent is not required to tell you how he moved if you didn't pay attention. Numerous studies of students in the U.S.,

# AVID/Chess Club

**Goal:** To close the achievement gap by preparing all students for college readiness and success in global society.

TO teach the basics of chess, learn strategies, do puzzles and enter chess tournaments.

## **Objectives:**

To increase awareness and about scholarships and grants available.

To increase awareness and interest in all colleges and universities through college visits.

**Collaboration:** To work together toward a common goal; Develop positive interdependence; Support the learning of others through inquiry.

**Inquiry:** Clarify their own thinking; probe others thinking; work through ambiguity.

**Reading:** Understand text structures; apply knowledge and make connections to other texts; create visual images.

**Writing:** Use writing as a learning tool; a personal and public communication tool and a record of thinking.

Russia, China, and elsewhere have proven time and again that young people's ability to focus is sharpened with chess.

**It grows dendrites:**

Dendrites are the tree-like branches that conduct signals from other neural cells into the neurons they are attached to. Think of them like antennas picking up signals from other brain cells. The more antennas you have and the bigger they are, the more signals you'll pick up. Learning a new skill like chess-playing causes dendrites to grow. But that growth doesn't stop once you've learned the game; interaction with people in challenging activities also fuels dendrite growth, and chess is a perfect example.

**It teaches planning and foresight:**

Having teenagers play chess might just save their lives. It goes like this: one of the last parts of the brain to develop is the prefrontal cortex, the area of the brain responsible for planning, judgment, and self-control. So adolescents are scientifically immature until this part develops. Strategy games like chess can promote prefrontal cortex development and help them make better decisions in all areas of life, perhaps keeping them from making a stupid, risky choice of the kind associated with being a teenager.

All sponsors must keep sign-in sheets for ALL meetings and sign-in sheets will include the date of the meeting and SIGNATURES of STUDENTS attending. These sign-in sheets will be turned in at the end of the year prior to receiving the stipend.
