

## SCHOOL BOARD MEETING REPORT

Board Meeting Date: 11/17/2015 Superintendent: David Holmes

Administrator/Staff: David Holmes

Type of Item: ☐ Informational ☒ Action

**Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?**

I would like the board to approve the development of a birth to 3 child care facility within Hidden Valley High School. This facility will be operated by Michelle Gallagas with grant funds provided by the Oregon Child Development Coalition.

**Provide history/background information on your proposal:**

The board will hear a second presentation from Michelle Gallagas and Karen Ayers of the Oregon Child Development Coalition. This presentation will cover the costs, structure, responsibilities and liabilities of and to the district.

**List the advantages of your proposal:**

Not only will this program offer child care to families in our community (8 initial slots) but it will provide a lab for the development of a child development class for our students at HVHS. The OCDC grant will also provide for remodeling of two rooms at HVHS which are currently in need of those upgrades.

**List possible disadvantages of your proposal:**

Possible misperception by some community members that this is child care for our students, which it is not.

**List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?**

This site could be done at Jerome Prairie and it would still serve our community but would not provide for our student's learning opportunities.
