

Character Education Outstanding Students of the Month

The Keller ISD Community of Character program is structured to identify one character trait per month and integrate the character traits into curriculum through activities in individual classrooms to school-wide events.

For the first five weeks of this school year, there were two character traits: responsibility and good citizenship. Fossil Hill Middle School seventh graders Priscilla Palacios and Alejandra Perez were selected as the first-ever “Outstanding Students of the Month” after being nominated by their counselor, Paul Higgins, for exhibiting responsibility and good citizenship by volunteering their time and talents to assist a new student at FHMS.

DEIC outgoing members

The District Educational Improvement Committee (DEIC) is a committee required by the Texas Education Code to advise the Board or its designee in establishing and reviewing the district’s educational goals, objectives and major district-wide classroom instructional programs. It is composed of 28 voting members, who represent campus based professional staff, district-level professional staff, parents, businesses and the community. Representatives serve staggered two-year terms.

Name:	Classification/Campus Represented	Years Served:
