

**MINIDOKA SCHOOL DISTRICT
ACTIVITIES FUND RAISING REPORT
(Does Not Include Sport Club Events)**

The Board is seeking information regarding all District activities, so they can begin planning to eventually provide adequate funding for those items that have been District responsibility in the past. We need your help in identifying those things that you have been fundraising for that the District should be providing. Please note that this is no way intended to criticize or curtail your spending. It is just to identify how much the District should be paying to support your program so that less fundraising is necessary.

Please complete the following for this year and last (if available) and submit it to the District by May 14th. Please include a summary of expenditures for your entire year. The Board will review the information at the May 31st Board Work Session and would ask that you be in attendance at that meeting from 6-7:00 p.m.
