

# Franklin Elementary School

103 Country Club Road Hillsboro, TX 76645

## Campus Update:

Our first two weeks as a Franklin Family have been very exciting. Our students have been very engaged in learning the rules and routines of their classrooms and school. Each class created a “Responsibility Agreement” and signed it with their “special” signature...thumbprints, handprints, squiggly lines, letters, and/or their name. The students are learning to share the “spotlight” with their new friends, learning to walk in a line quietly, and learning how to go to centers and share the center items. Each day was planned with new, exciting, and purposeful play activities that show our love for each of our students as we begin the 2019-2020 Pre-K year!

## Professional Development:

Our teachers and staff are currently working on our PLC schedule for the year. In addition to this, Region 12 is hosting the Early Childhood Education Symposium. Ms. Sides and Mrs. Pierce have registered to attend. Knowledge gained at this workshop will be shared during our PLC sessions this year.

## This Year's Theme:

CHOOSE LOVE

## Upcoming Events:
