**Subject:** Congratulations!

Dear Becky,

Last week our Scholarships & Grants committee reviewed 30 applications from you and your colleagues requesting Classroom Grant Funding for your classrooms. The Amphi Foundation is proud to fully fund your grant request for \$704.95 to support the PE Program at Harelson Elementary School. Congratulations!

As you may recall, this funding came from the Nova Home Loans Arizona Bowl, Tucson's very own bowl game that is growing in popularity every year. Our friends at the Arizona Bowl intend to request a matching donation from an organization called Extra Yards for Teachers this year in hopes to double their contribution to support teachers in Pima County, and we have committed to helping them to secure that extra funding! Here's how you can help us increase those chances and spread awareness in your community about the work that the Amphi Foundation is doing to support you and your students:

- Take a photo and either post it to social media—tag the Amphi Foundation and use our #amphifoundation hashtag—or text/email it to me so that we can share on our social media pages and with our contacts at the Arizona Bowl.
- In your electronic communications to parents, please let them know that you received this funding and tell them how it will benefit their children—we want **\*every\*** Amphi parent to know about the work that the Amphi Foundation is doing to support their children.
- Donors and partners love thank you notes, especially when they are created by children. ☺

If, for some reason, you do not proceed with this project, we ask that you return this money to the Amphi Foundation by the end of this semester so that we can assist another club or class in need.

On behalf of my Amphi Foundation board of directors, thank you for all that you do for Amphi and congratulations again!

**Leah Noreng**

**Classroom Grant Application**  
Please complete, sign, and return to amphifnd@amphi.com

Project Title:	PE Program		
Applicant(s):	Becky Cozart		
Project Director:	Becky Cozart		
Telephone Numbers:	520-696-6039		
Project Site/School:	Harelson Elementary		
Project Duration:	Start Date: 2nd quarter	Ending Date:	End 3rd quarter
Impact: All K-6	# of Students: 550(+)	# of Teachers:	①
Ages/Grades: 4-6 stopwatches K-3 parachute			
	Total Cost:	\$	
	Less Funding from Other Sources*:	\$	0
	Total Grant Request:	\$	704.95
*List Other Funding Sources			
Signature and Date:	Becky Cozart 2/20/18		

**TECHNOLOGY CERTIFICATION – required for grants requesting technology components**

We CAN / CANNOT (circle one) support the technology and other infrastructure required for successful implementation outlined in this grant.

Technology Integration Specialist Signature: \_\_\_\_\_ Date: \_\_\_\_\_

**PRINCIPAL APPROVAL:**

After reviewing this application (principal please initial one),

 No additional resources (including maintenance and repairs) are necessary to fully implement the goals of this application

OR

Additional resources are necessary in the approximate amount of \$ \_\_\_\_\_ (total, per year, etc.) and will be funded by other sources.

This project  is /  is not eligible for extra-curricular tax credit funds. (select one)

Applicant has shared this application with me and I DO / DO NOT (circle one) support this application.

Principal's Signature:  Date: 2/26/18

Project Title:

PE Program

Summary: Brief, succinct overview of the project, including the estimated number of students directly impacted. Describe in lay terms. Do not assume the Committee knows the programs, technology or other topics you are discussing. Statement that could be used to explain project in a news release.

4-6 use stopwatches during track season. They learn how to use them in 4th. We discuss decimals and practice reading decimals correctly. They must be responsible for each others' times. My current ones are over 10 years old the warranty is no longer valid & I am down to just 11. →

Project Need, Purposes and Objectives: Describe how the project will enhance the learning environment and promote academic excellence. List the subject areas involved in the project and how the project will enhance the students' learning experience in these areas.

Stopwatches: reinforces decimals/math, partner responsibility + increases motivation

Parachute: movement patterns, working as a group, listening skills, rhythmic patterns

Project Activities: Description of the activities the award will facilitate and that will produce the objectives stated in the proposal.

Stopwatches - Track running 50m 200m 100m 400m Mile hurdles 50-100

Parachute - general PE lessons

Plan for Evaluation and Follow Up: The standards of measurement to be used to determine if goal(s) have been achieved and timeline for assessment of results.

Every year introducing the concepts of stopwatches is pretty intense in 4th grade, many "oops" occur. 5th grade they are better & then 6th even more so.

The parachute is often requested by 2 & 3rd graders, but it is so tattered now that I only let my kinders use it. I so need a new one.

Budget Worksheet

Flaghouse # 800 793 7922

Item Description	Cost Per Item	
AX725 Accusplit Stopwatch (12) p.324 # G18850	\$ 21.00	252.00
