## Domain 2: Effective Well Supported Staff

- Understanding & Planning w/ Trauma Informed Care
- Restorative Practices & Support Structures

Student Name	Monday	Tuesday	Wednesday	Thursday
Overall				
██████████	Absent	Staying Focused	Good worker today	Here working on her History Project. This results in her not hitting any daily goals because we track percentages. However, she is working well.
██████████	Came late, stayed for a little over an hour and then left.	Didn't see him	Didn't see	Let me know he is hospital sick with strep throat
██████████	Absent	Didn't see her	Didn't see today, but she messaged me that her life is kind of falling apart again. She is in the middle of moving out of the house she recently moved into.	Life kept her from coming today
██████████	Completed the dreaded IPC	Didn't see her	She was here and even played ping pong with me	Came a little late but she seems more focused today
██████████	Worked solidly all day	Spent half her day in ACE	Completed a course, reminds me of trivia	
██████████	Absent	Didn't see him	Came in. Got upset that he wasn't in control of seeing this morning, we over came it together	
██████████		I had to take him into the hallway almost immediately. He was just telling me that everyone is on some BS and he was refusing to clarify, rather he just left the room. When he came back I took him into the hallway. Mrs. Dvorak invited him to her room for a bit.	He likes to push buttons and argue but his arguments are always based on emotions so it upsets him when he cannot	
██████████	Had a good attitude throughout the day, mostly			
██████████	Came late, not quite sure what all she got done	Spent half her day in ACE	Worked well today	
██████████	Gets unfocused and ██████████. Split them yesterday and she hit her goal	Her and ██████████ were just becoming too big of a problem	Having a bad day	

## Domain 3: Positive School Culture

### Mindfulness

- Self-care journaling (Incentives)
- Quote of the day
- Small groups
- Breaks
- Freedom of Movement

### Ownership
