PUBLIC HEARING

Texas Education Code (TEC) §39.306 requires each school district's Board of Trustees to conduct a public hearing to review and discuss the district's Annual Report. In accordance with **Texas Administrative Code (TAC) §61.1022**, this public hearing for discussion of the Texas Academic Performance Report (TAPR) must occur within **90 calendar days** of the district's receipt of the TAPR PDF from the Texas Education Agency (TEA).

Following the public hearing, the district is required to widely publish its Annual Report within **two weeks**, using the **same format as received from TEA**. The TAPR PDF serves as the primary component of the Annual Report and is published without modification.

The district's Annual Report, as required by **TEC §39.306**, includes all additional information mandated by statute and reflects the district's progress toward meeting state and local accountability goals.
