

# FPC Allen Campus Board Report April 2024

- The Pathways Pulled Pork Fundraiser and Silent Auction raised \$7,418 for the Pathways Scholarship Program in Perryton. We continue to see a good turnout at this event each year!
- FPC distributed t-shirts to 68 Pathways-eligible PHS graduating seniors.
- We are happy to be offering a Microsoft Applications class on campus with Denisse Breshears. This community education class has nine students enrolled and will cover Word, Excel, PowerPoint, and Access.
- We have purchased a 2017 International truck and a 1998 Wilson Grain Hopper under the TRUE grant. This additional equipment will help serve the ELDT/CDL students in Perryton.
- The Allen Campus has a total of 75 pending graduates thus far for the May 2024 Commencement.
  - a. 27 of those graduates are Pathways students
  - b. 20 students will receive Associate Degrees
  - c. 13 students will receive a certificate in welding (7 of those are dual credit graduates)
  - d. 7 students will receive the basic certificate in Diesel Mechanics
  - e. 8 students will receive their LVN certificate
  - f. 27 Students will receive their certificate in Cosmetology (6 of those are dual credit graduates)
- Community classes and meetings hosted on campus this past month include Courson Oil and Gas Employee Meeting, Capture Point Employee Meeting, Presidio Petroleum Employee Training, Perryton ISD Leadership Training, City of Perryton Council Meeting, O'Reilly Auto Employee Training, WTAMU Transfer Service Workshop, Texas Tech University Transfer Workshop, License to Carry and Beginner Pistol Classes, Bivins Foundation Community Meeting, Coffee Memorial Blood Drive, Wright Elementary School art lessons from the Citadelle Art Foundation, and Leadership Perryton.
