NOTES

1. Teachers are encouraged to handle discipline within their classrooms. Rule violations that result in the referral of the student to the office will be handled according to the Tupelo Middle School's discipline program (ladder).
2. A student may enter the discipline ladder at any step, depending upon the nature of the offense.
- ~~3. Incentive is provided for the student to improve his/her behavior through provisions of a probationary period that allows a student to remove himself/herself from the discipline ladder by improved conduct.~~
4. Failure to complete the step consequence as designated will result in escalation to at least the next step on the ladder.
5. Referral to the office during the probationary period prescribed in the discipline step will result in escalation to at least the next step. Students referred for a repeat or a serious violation may escalate more than one step.
6. In all cases of OSS or ISS, the student will lose all privileges during the time he/she is suspended. Loss of privileges means that during the time stated the student cannot participate in or attend assemblies or any school function designated as an extra activity, including athletic events, dances, plays, extra-curricular programs, field trips, school-sponsored activities, etc. This would include the entire 24 hour period of the suspension.
7. If the misbehavior occurs on a school bus or at a bus stop, the school bus discipline policy will be followed.
8. In all disciplinary matters, a student will be accorded due process under the district policy governing student rights. Video or audio tape may be used in disciplinary hearings.

10. Counseling may be added to any step.
11. A parent/guardian conference with an administrator is required before a student can return to class after an out-of-school suspension (Step 7 or 8).

or pleaded guilty or nolo contendere to a serious crime, as defined in this section, which occurred off of school property or away from school-related functions. A serious crime, for the purposes of this section, is an illegal act which indicates the capacity and willingness of the student to injure students and employees with bodily harm, or to threaten to cause bodily harm, or to place students and employees in danger of bodily harm. The superintendent, or designee, will evaluate the circumstances of the serious crime to determine whether (1) the acts of the student indicates a present and possible danger to the health, safety, and welfare of one or more students or employees and (2) whether the more restrictive, security oriented environment of an alternative education program would serve the educational interests of the student while preserving the safety of students and employees. The Board shall review the student's placement in any alternative program at the next following regular meeting. Serious crimes shall include, without limitation, and as examples only:

- a) Assault with a deadly weapon
- b) Aggravated assault
