- Most revisions are clerical in nature with the addition of new athletic fees, etc.
- One change in the Coaches Section page 21. "State Tournament Attendance" the first paragraph... Changes are highlighted.

Head Coaches will be allowed to attend the State Tournament *or a Coaches Clinic* of the sport they coach. The school will provide for a substitute. All other expenses will be paid for by the coach. One Assistant Coach will be allowed to attend the State Tournament *or a Coaches Clinic* per day. If applicable, the school will provide for a substitute for that day. All other expenses will be paid for by the coach.
