

SUTHERLAND

I'm excited to join SSLAC to:

- Be an advocate for my school & my classmates
- Learn how our school system works & help create new ideas for the future
- Work with Mrs. Jenkins who does a wonderful job for our school

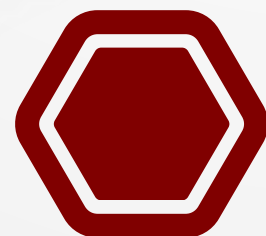

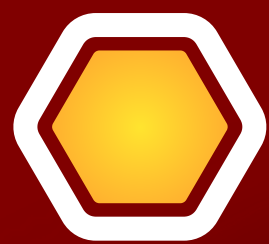

SUTHERLAND

How's 6th Grade Going?

- I enjoy the freedom!
 - Switching classes
 - Moving through the hallways
 - More students/bigger school

SUTHERLAND

What I'm involved in at HMS:

- Student Council
- SSLAC
- I tried choir but it didn't work with my schedule

I'm looking forward to volleyball and basketball in 7th Grade.

- This is an area I think we can continue to look into for 6th graders.

SUTHERLAND

Joint Annual Conference

- One of the speakers had a lot of energy and really inspired me.
- It was fun to be around other students at the conference even though we were the youngest.
- I used the gavel to call the meeting to order!
