RE: Food Service – Renewal of Intergovernmental Agreement

DATE: February 26, 2019

Summary

At its May 15, 2007 meeting, the Board of Education of Oak Park District 97 entered into an intergovernmental agreement with Oak Park River Forest (OPRF) High School for the provision “of cafeteria service and school meals for students attending its school facilities for the 2007-08, 2008-09, 2009-10, 2010-11, and 2011-12 school years”. With the conclusion of that fiscal year (2011-12), that agreement came to an end and we chose to extend it for the 2012-13 school year and use the 2012-13 school year to investigate the competitiveness of this contract, which proved itself to be most efficient. In May of 2013, this IGA was renewed for the next 3-year period (2013-14, 2014-15, and 2015-16). Similarly, Oak Park River Forest High School presented a three-year extension of this intergovernmental agreement (2016-17, 2017-18, and 2018-19 school years). The proposal from OPRF for the 2019-2020 school year is to extend the contract one year at no change in the meal costs.

Below are all the meal price changes:

| <u>Type</u> | <u>FY19</u> | <u>FY20</u> | <u>Difference</u> |
|-------------------|-------------|-------------|-------------------|
| Breakfast | \$1.00 | \$1.00 | +.00 |
| K-5 Student Lunch | \$1.75 | \$1.75 | +.00 |
| 6-8 Student Lunch | \$1.93 | \$1.93 | +.00 |

We have been extremely pleased with the service provided our ten schools over these nine school years, the Wellness Committee has been pleased with the responsiveness of the high school in accepting suggestions for fine-tuning the daily menu, and the Oak Park community has been the recipient of an intergovernmental agreement that minimizes the cost of lunch service to its children while providing a quality, healthy and nutritious meal efficiently daily.

Motion

Administration is seeking a motion to extend the intergovernmental agreement with OPRF for food services for FY2020 per the attached.
