Subject: Approval of Bids for DuJardin HVAC Project

The DuJardin HVAC project was publicly bid with the bids being opened on Monday, November 27. The attachment for the base bids is attached for your review. Oakbrook Mechanical submitted the lowest bid for the project at \$339,900. DLA Architects certified that the lowest bid is reasonable and appropriate for the work proposed in the project. The Administration is recommending the Board approve the bid of \$339,900 from Oakbrook Mechanical for the DuJardin HVAC Project.

As a reminder, the project represents the final expenditures to be taken from ESSER funding received by the District during the pandemic from the federal government. As a result, the project will need to be completed prior to June 30, 2024 for the use of these funds.

Recommendation: The Board approve the bid submitted by Oakbrook Mechanical in the amount of \$339,900 for the HVAC replacement project at DuJardin Elementary School, as presented.
