Subject: Recommendation to Purchase *Portfolio Deutsch*, *T'es branche'*, and *Authentico World Language* Textbooks

I am requesting the purchase of *Portfolio Deutsch*, *T'es Branche'*, and *Authentico B* textbook purchases be placed on the agenda for the May 28, 2019, Board of Education Curriculum Committee Agenda. The purchase request is for Teacher Resource materials, Assessment Readiness Guides, Assessment Readiness workbooks, Student Editions with an eight-year digital courseware license. The texts provide engaging tasks to deepen conceptual understanding as well as opportunities to strengthen and apply skills, and are the unanimous recommendation of the committee.

Mr. Matthew Miga, World Language Teacher Leader, worked with a committee of ten World Language teachers representing all of our high schools and two of our middle schools. The committee worked as a whole group to research the best practices on second-language acquisition. They then developed a needs assessment and designed a cohesive graphic to guide further exploration of texts. The team developed a rubric to support the evaluation of texts. Finally, the team broke into language teams to explore and evaluate texts using the common rubric.

Mr. Miga followed the District textbook adoption process according to Board policy and the Secondary Principals support the recommendations. In his attached memo, Mr. Miga shares more details about the evaluation process used. The textbook samples are in my outer office for review. I will also have samples available at the Committee and Regular Board meetings.
