

## Huckabay Independent School District

### Board Agenda Item Synopsis

**Subject:** Consider Approval of Training Provide by the Child Advocacy Center as Reviewed by the School Health Advisory Committee

**Background Information:** The School Health Advisory Committee (SHAC) has met four times this year. The SHAC has reviewed and is recommending the training provided by the Child Advocacy Center.

**Administrative Consideration:** The SHAC must meet four times this year. One of the responsibilities of the SHAC is to review the curriculum that supports the well-being and safety of Huckabay ISD Students.

**Budgetary Impact:** The Child Advocacy Center will provide training for students and staff at no cost to the district.

**Recommendation:** Administration recommends approval of the age-appropriate training provided by the Child Advocacy Center

**Submitted by:** Wes Corzine

**Meeting Date:** April 20, 2023
