Homedale Board of Trustees,

Well last year at this time, spring sports did not exist. Very thankful spring sports are taking place and our kids are getting an opportunity to compete.

## **Baseball**

Varsity and JV are currently 2-0 in SRV play. They play Parma and Fruitland this week. We have scheduled a difficult non-conference schedule for the baseball program, which will hopefully pay dividends during conference play.

## **Softball**

Varsity and JV are currently 2-0 in SRV play as well. Like baseball, softball has also had a very difficult non-conference schedule.

## **Golf**

Golf had their first SRV match last week. Our varsity boys placed 4th overall. Tea Uranga finished 1st individually on the girls side of things. We have SRV matches every Monday from now until May 3rd. On the boys' side of things, we are very inexperienced, but have good athletes out who are showing signs of improvement every week.

## **Track**

Track has gotten off to a great start. Our girls team got 1st place in their first meet in New Plymouth. I cannot remember in the last 12 years when our girls' team has come in first place at a track meet. Congrats to Coach Christensen and his staff.

We hosted our only track meet of the year last Thursday. There was a total of 10 different schools at the meet. Coach Christensen and staff did a great job running the event.

## **Tennis**

Coach Michaelson is making the most out of their limited schedule. They start conference play this week when they travel to Weiser. The tennis program is very young and inexperienced but they are improving each week in practice.
