

700 Students - Consultant Search

Three Rivers ISD Superintendent Search Announcement

Three Rivers ISD seeks a quality leader with knowledge of instruction and finance to serve as Superintendent of Schools. Prior successful school leadership at the district and/or campus level is a prerequisite. Three Rivers is a Chapter 41 district, so knowledge and experience with such is a plus. The District has experienced steady growth.

Texas School Superintendent or equivalent is preferred. Competitive salary and benefits are commensurate with experience and qualifications.

The community of Three Rivers, Texas is located just west of I-37 in Live Oak County, approximately one hour south of San Antonio and one hour northwest of Corpus Christi.

Serving 645 students, Three Rivers ISD has an Elementary campus and a Junior High/High School campus. Student demographics include 55% Hispanic students and 44% White students, with 51% Economically Disadvantaged students. The district employs 118 staff members, of which 66 are teachers. TRISD is a member of the Brush Country Special Education Coop.

Vision

Pursuing success for every student

We, in this district, believe that...

A safe environment fosters student growth.

A challenging, meaningful and engaging learning environment established a foundation for success.

Opportunities beyond the classroom enrich the learning experience.

Effective utilization of technology facilitates lifelong learning.

Respecting the uniqueness of individuals enhances and strengthens our organization.

The community is a vital partner in the education of our children.
