Parent-Teacher Conferences

We saw about 70% of our parents. This session of conferences was well attended by our parents

Canned Food Drive

The students will be participating in our annual food drive December 2- December 12. There will be an assembly in December with silly teacher acts based on the number of barrels filled.

ISAT Interim Assessment Blocks

Our teachers have given at least one interim assessment and we are using the data to identify areas where students need more focused instruction. This has been a positive shift as we assess where we stand with students meeting ISAT proficiency standards.
