School Board Communications
February 2014

Week of January 6th thru January 13th - Welcome Back teachers and students! Everyone had a wonderful Christmas break and was ready to get back into the swing of things. Don Painter Photography came for a visit and took our retakes from the fall photos.

Week of January 20th - We enjoyed a day off as we honored Martin Luther King, Jr.

We inherited some class pets this week. Mrs. Whitfield's class got 2 guinea pigs - Mickey and Minnie. Mrs. Larman got a dwarf hamster - Skittles. The students love the pets. The teachers have done some research to make sure they are taking care of the animals and feeding them appropriately. We can't wait to see what adventures are ahead for our little critters.

The Pre-K classes made table runners with hearts and their hand prints for our wonderful School Board Members.

Week of January 27th - The arctic blast hit and we waited for the warm weather to arrive so we could have a fire drill, bad weather drill and lock down. We have to keep our kiddos on their toes.

Week of February 3rd thru February 7th - Students started learning nursery rhymes and began to prepare for our performance in March.

Week of February 10th thru February 14th - Wow! We had an unplanned day off due to the sleet.

Ms. Johnson's class got a little jealous of the class pets and decided they needed some too. They just got 2 guinea pigs - Fiona and Eleanor.

We celebrated the 101st day of school with special visits from Cruella Deville and the Dalmatian puppies. Valentine's Day parties were held at the end of the week. Students love exchanging Valentine cards with their friends...and love the candy associated with many of them.

The staff enjoyed a "Taco Bar Fiesta" Valentine's luncheon.
