

**Item of information for 2023 Uvalde CISD Continuation of 2022 Annual Report
June 17, 2024**

1. Background:

Pursuant to Texas Education Code 39.306, each board of trustees shall publish an annual report describing the educational performance of the district and of each campus in the district that includes uniform student performance and descriptive information as determined under rules adopted by the commissioner. The annual report must also include: 2022-23 Texas Academic Performance Report (TAPR) for the district and each campus; PEIMS Financial Standard Report (2021-22 Financial Actual Report) for the district and each campus; 2022-23 District Accreditation Status; Campus Performance Objectives; Report on Violent or Criminal Incidents on Campuses; Student Performance in Postsecondary Institutions for each high school campus; Progress of the District and Each Campus Toward Meeting Board-adopted HB 3 Goals for Early Childhood literacy and math and CCMR; and 2022-23 TAPR Glossary (not required by TEC - but suggested by TEA). The information included in June's report is the Student Performance in Postsecondary Institutions for each high school campus; Progress of the District and Each Campus Toward Meeting Board-adopted [HB 3 Goals for Early Childhood literacy and math and CCMR](#) (linked TEA Notice to Superintendents and School Boards, 9/19/19). The May board meeting contained other items required.

2. Process:

The C&I Department gathered these documents and items of information, all of which are public record, and compiled them into the 2023 Uvalde CISD District Annual Report. Statute requires that districts hold a hearing for public discussion of the annual report which may be combined with a regularly scheduled meeting of the local board of trustees. Notice was made to property owners, parents, and others in a parental relationship to students of this hearing through a newspaper entry with the Uvalde Leader News on Sunday April 28, 2024 and during the board presentation in May for this remaining piece.

3. Fiscal Impact:

None

4. Recommendation:
