

# Elementary School Board Report

**November 2024**

We celebrated Veterans Day by having some of our local veterans come visit our Kindergarten classrooms at CRES. We said the Pledge of Allegiance as a building and then lined the front entrance as a school community to give our veterans another moment of appreciation as they left. We would like to extend another huge thank you to all of the veterans who have courageously served our country. We are forever grateful for all of you.

## **Literacy Training:**

Our teachers are working incredibly hard as we work through our READ Act training. In December we will continue our literacy training and have our first live session with our OL&LA trainer. Our paras also began their literacy training last month and will have 3 more sessions over the course of the school year.
