Start of School

The first few weeks have been great and our students are doing a great job with the Homedale Way! Our new teachers are outstanding and we are lucky they chose us!

Delta Dental Grant

The water bottle filler station and new water fountain have been installed. Every student and staff also received a water bottle and a toothbrush kit with dental floss. Teachers also received a curriculum on rethinking your drink to promote healthy choices. The water fountain is a big hit with the 5th and 6th grade students.

Benchmark Testing

Students will begin benchmark testing in math and ELA the week of September 5th
