Knightline Newsletter

November 2016

From your Principal...

Dear North Valley Families:

The month of November will fly by us so quickly, the Christmas season will be on us way too fast. Even though there are only a few days of school this month, our calendar is packed with events that gives students and families great opportunities to connect to school. Our first quarter ends on November 9. Parent conferences follow on November 17 and 18. Please make arrangements to visit with your student's teachers so that we can partner on strong academic performance.

We have had a particularly strong season of sports performances. Both of our soccer teams made the OSAA playoffs and the Lady Knights are the #1 ranked team in Oregon. Our football team has advanced to the second round and have done exceptionally well. Melody McGrath qualified as an individual in Cross Country. In addition to our sports programs doing well, our art students have some really cool things on display and our band (now 35 members) sounds great.

As the holiday season approaches, there will be many opportunities for kids to do generous things for others. I hope that you will have good times with your kids on the breaks. I know that our students are well cared for at North Valley.

---- Dennis Misner
